Dear Hiring Manager,

I am writing this letter to express my interest in applying for a suitable position in your esteemed organization. I am a versatile professional offering **over five years of experience** in STLC, SDLC, Software Quality Assurance, Manual / Automated / Performance / Functional / Regression / Integration / Unit / Compatibility / Database / Smoke / Sanity Testing, Test Cases Creation & Automation, CI/CD Pipeline, Agile-Scrum Methodology, and so forth.

Currently, I am working with Sagility Health (Formerly HGS). I joined as an SDET I, was promoted to SDET II, and am now working as a Technical Lead and handling a team of four QA's. I am accountable for performing Automated/Manual Testing for web and client applications. I have hands-on experience working on Agile methodology and ensuring optimal delivery of SaaS products. I efficiently create automation scripts using Data-Driven, Keyboard Driven, BDD (Cucumber) and Hybrid Approaches.

My academic credentials include a Master's in Computer Application and a Bachelor of Computer Application from Osmania University, India. I am confident that my skills, competencies, and work experience would be ideal for contributing to your organizational requirements.

I would welcome a discussion regarding opportunities with your organization that fits my background. Please feel free to contact me over the phone at **+91-86868-47291** or send me an email at **ayushdayama097@gmail.com**.

I hope to get an opportunity to talk with you soon.

Sincerely,

Ayush Dayama
